## **Press Release**

**ANGO for Maison et Objet, Paris 5-9 September 2024**

**Hall 7A; No D68**

# **Elegance, Luminosity and Sustainability In Ango Sculptural Handcrafted Lighting**

Ango is dedicated to creating exceptional lighting pieces that embody sustainability, purity, and authenticity, and will spread positive energy through any space.

Since 2004, we have been creating lighting using the unique handmade techniques developed by ourselves, crafting each piece individually. Designs by Ango suggest an optimistic vision of onward movement and openness while meeting the inequality and climate crises through engagement with traditional hand-crafting skills, the use of recycled or natural easily replenishable materials, and the use of minimal energy-intensive manufacturing to present a broad range of lighting including art pieces at any scale.

To achieve high levels of luminosity and translucency Ango's palette of natural materials or composite materials that combine the natural with recycled is constantly being expanded and developed working hand-in-hand with our artisans.

Ango designs for Maison et Objet 2024 are as following;

## **Sculpture of Light:**

### **Triple Orbit & Double Orbit pendant lights**

Triple Orbit & Double Orbit by Ango, two large-scale pieces that present infinite possibilities especially when combined together are unique eco spectacular lighting pieces alluding to infinity. Created with two or three hand woven rattan interlocking organic light ring forms, these pieces have multiple installation possibilities and also lend themselves to being expanded or customised for a particular space, depending on the situation and characteristics.

Triple Orbit & Double Orbit rattan pendant lights are two of Ango signature handcrafted architectonic lighting pieces. These unique forms have often been called art pieces or light sculptures.

**Product name : Triple Orbit**  
**Product ref : CL19076**

Type : LED ceiling light  
Lamp base type : G9  
Lamp type : G9 LED Filament 3W x 77  
Diffuser material : Rattan  
Base Material : Hand finished stainless steel  
Size : 2500 mm W x 1500 mm D x 1400 mm H  
98.5 in W x 59 in D x 55 in H  
Packaging size : 1600 mm W x 1800 mm D x 540 mm H  
63 in W x 71 in D x 21 in H

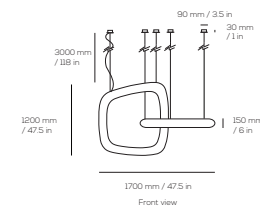

\* Please note that due to the handmade nature of our products, slight variations in size may occur compared to the tear sheet. Additionally, colors may change over time and with usage.

**Product name : Double Orbit H**  
**Product ref : CL17068**

Type : LED ceiling light  
Lamp base type : G9  
Lamp type : G9 LED Filament 3W x 40  
Diffuser material : Rattan  
Base Material : Hand finished stainless steel  
Size : 1500 to 1700 mm variable W x 1200 mm D x 1200 mm H  
59 to 67 in variable W x 47.5 in D x 47.5 in H  
Packaging size : 1350 mm W x 1350 mm D x 350 mm H  
53 in W x 53 in D x 13.5 in H

\* Please note that due to the handmade nature of our products, slight variations in size may occur compared to the tear sheet. Additionally, colors may change over time and with usage.

# Transcendence Suspension Series

## Sophisticated sculptural pendant lighting pieces

In Transcendence Suspension 4, 6, 8, separate diffusers are combined, each one handcrafted in flux lines of luminescence formed into a diaphanous cloud realised with light.

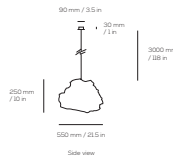

The random configurations and differing intervals and intensity of the gossamer light material beautifully modulate the light from the central light source.

With their unique forms, Transcendence Suspension Series will illuminate your space with sophisticated light, and the ambient light emitted creates a warm and very human atmosphere.

Product name : Transcendence 1 ( 4 pcs Transcendence 1 )  
Product ref : CL23085

Type : Mains voltage modular pendant light system  
Lamp base type : E27/E26 screw fitting  
Lamp type : LED Filament 6W  
Diffuser material : Tree bark fibre with plant derived stabiliser and recycled fishing net  
Base Material : Hand finished stainless steel  
Size : 500 mm W x 500 mm D x 300 mm H  
21.5 in W x 21.5 in D x 10 in H  
Packaging size : 550 mm W x 550 mm D x 350 mm H  
21.5 in W x 21.5 in D x 14 in H

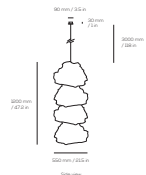

\* Please note that due to the handmade nature of our products, slight variations in size may occur compared to the tear sheet. Additionally, colors may change over time and with usage

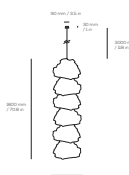

Product name : Transcendence suspension 4  
Product ref : CL23096

Type : Mains voltage floor light  
Lamp base type : E27/E26 screw fitting  
Lamp type : LED A60 Filament 6W x 4"  
Diffuser material : Advanced composite materials created with mulberry fibre and recycled fishing net  
Base Material : Hand finished stainless steel  
Size : 550 mm W x 550 mm D x 200 mm H  
21.5 in W x 21.5 in D x 47.2 in H  
Packaging size : 650 mm W x 650 mm D x 250 mm H  
25.5 in W x 25.5 in D x 9.8 in H

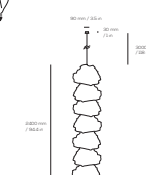

Product name : Transcendence suspension 6  
Product ref : CL23099

Type : Mains voltage floor light  
Lamp base type : E27/E26 screw fitting  
Lamp type : LED A60 Filament 6W x 6"  
Diffuser material : Advanced composite materials created with mulberry fibre and recycled fishing net  
Base Material : Hand finished stainless steel  
Size : 550 mm W x 550 mm D x 300 mm H  
21.5 in W x 21.5 in D x 70.8 in H  
Packaging size : 650 mm W x 650 mm D x 350 mm H  
25.5 in W x 25.5 in D x 14 in H

Product name : Transcendence suspension 8  
Product ref : CL23100

Type : Mains voltage floor light  
Lamp base type : E27/E26 screw fitting  
Lamp type : LED A60 Filament 6W x 8"  
Diffuser material : Advanced composite materials created with mulberry fibre and recycled fishing net  
Base Material : Hand finished stainless steel  
Size : 550 mm W x 550 mm D x 2400 mm H  
21.5 in W x 21.5 in D x 94.4 in H  
Packaging size : 650 mm W x 650 mm D x 2500 mm H  
25.5 in W x 25.5 in D x 98.4 in H

# Illuminating the Future of Sustainable Design

## Paint the Light

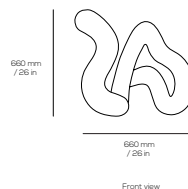

Imagined painted forms, incarnated in light and rendered as freeform sculptures in four colours. Each piece of Paint the Light is created in three dimensions to be hung in a sequence of unplanned enchantment with each part referring to and reinforcing its neighbour.

Using recycled plastic waste material, these indoor / outdoor pendant lights demonstrate a high degree of sustainable design, and are powered by a low energy/low voltage light source. At the end of its life cycle, all the components that have gone into each Painting the Light can easily be disassembled and recycled for further reuse.

Product name : Paint the Light (4 pcs)  
Product ref: CL23097

Type : Mains voltage indoor / outdoor ceiling light  
Lamp base type : COB LED strip IP65 rated  
Diffuser material : Post Industrial Recycled (PIR) wire  
Base Material : Stainless steel  
Size : 790 mm W x 660 mm D x 660 mm H  
31 in W x 26 in D x 26 in H  
Packaging size : 840 mm W x 710 mm D x 710 mm H  
33 in W x 28 in D x 28 in H

\* Please note that due to the handmade nature of our products, slight variations in size may occur compared to the tear sheet. Additionally, colors may change over time and with usage.

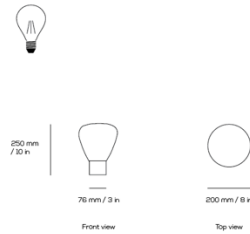

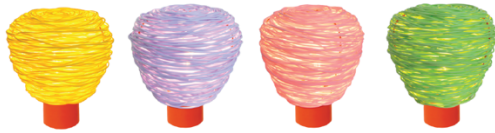

# Unit Boy Series

Unit Boy, pendant and table lamps in recycled plastic waste material, created in the unique random weaving technique developed by Ango, are one of a kind pieces. The diffuser form references a lotus bloom, while the light emitted via the diffuser has a wonderful warmth, accentuated by the cadmium orange coated base.

Product name : Unit Boy (colours)  
Product ref : TL18059-1

Type : Mains voltage table light  
Lamp base type : E27/E26 screw fitting  
Lamp type : LED Filament 6W  
Diffuser material : Post Industrial Recycled (PIR) wire  
Base Material : Hand finished stainless steel with powder coat  
Size : 200 mm W x 200 mm D x 250 mm H  
8 in W x 8 in D x 10 in H  
Packaging size : 250 mm W x 250 mm D x 300 mm H  
10 in W x 10 in D x 12 in H

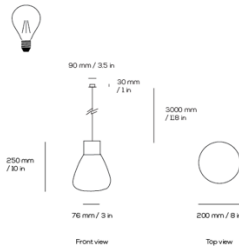

\* Please note that due to the handmade nature of our products, slight variations in size may occur compared to the size sheet. Additionally, colors may change over time and with usage.

Product name : Unit Boy Pendant  
Product ref : CL25105

Type : Mains voltage table light  
Lamp base type : E27/E26 screw fitting  
Lamp type : LED Filament 6W  
Diffuser material : Post Industrial Recycled (PIR) wire  
Base Material : Hand finished stainless steel with powder coat  
Size : 200 mm W x 200 mm D x 250 mm H  
8 in W x 8 in D x 10 in H  
Packaging size : 250 mm W x 250 mm D x 300 mm H  
10 in W x 10 in D x 12 in H
